And, for construction of a Church at 43 Mile, almost all the materials like Tin and timbers were purchased. However, due to continuous rain we could not start the work. We do hope and pray that we could start the in time and could complete without delay. Further, we still could not get enough plot of land for construction of mission quarters at 43 Mile and 41 Mile. Let us continue to ask without ceasing Jehova Jire the Provider fervently with great hope and faith unshaken.

### **PALM SUNDAY**

Dt. 09/04/2017. On the celebration of Palm Sunday at Upanagar, all the believers on a march-pass shouting, "HOSSANA" along the road were followed by a she-goat unusually from the beginning to the end of the mass procession.
